It's a Bank Holiday bonanza over the next few months, which I can imagine will involve swilling back beers and cracking out BBQ's, and will also be accompanied by various accidents from cut thumbs and fires to food poisoning. So wouldn't it just be safer to perhaps nestle yourself in a deck chair, slap on some suncream and settle in with a copy of Club. Especially as we have all these delightful ladies in store for you this month, with Carmel Anderson, Tori Black and Charlie Rose causing quite the storm, and with Beth Bennett, Karina Grand and Blanka hot on their heels you'll have to conserve your energy. Plus with a double crown to bestow this month on the smokingly sexy Kenna James and Mia Malkova, you may be busy for some time. So remember folks it's about firefighters, not petrol this season, no eyebrow is not a good look!

Dear The Lounge,
I'd been looking forward to my trip to Prague with the lads for a stag do for ages. Seven of us had booked flights, reserved hotel rooms and were intent on getting totally bladdered for a long

weekend to really celebrate our mate, Gary's forthcoming wedding.

We'd heard the girls over there were stunners and one of Gary's friends had even set up free entry to a sex club for us, as he knew the owner and the girls who worked there. So as I'm currently girlfriendless, I reckoned I'd do my best to get a good fuck session under my belt while I was over there.

We all started drinking as soon as we got to the hotel and the rumours about the local girls were spot on. Shit, even the staff on reception and serving in the bar looked like models from your mag. My cock was aching for some attention and when we piled into the strip club at midnight, I could hardly contain myself. All the waitresses were topless and wore tiny mini skirts that did little to cover their naked, shaven pussies, and they didn't even mind us copping a feel as word spread we were the special guests from England. One girl kept pushing her knockers in my face as she bent down to put the drinks on our table and when I sucked on one of her juicy nipples she actually gripped my dick through my trousers and squeezed my semi stiff cock, completely erect.

The stage show didn't disappoint either, with some great lezzie double acts sucking pussy and fingering each other inches away from the cheering guys. One gorgeous dark-haired babe pushed the end of a two foot long cucumber into her gaping twat and then bent over next to our table so that each of us in turn could grip the other end and slide it in and out of her while she wiggled her hips to the throbbing techno music. As my mate Pete took his turn to work the love juice coated vegetable inside her cunt, she dipped her head into my crotch and started to gently bite

my prick through my jeans. Fuck, I nearly shot my load there and then but, as I drunkenly reached for my zipper so I could stuff my aching tool in her lovely mouth, she stopped me with her hand and without saying a word gestured towards a doorway beside the stage. Smiling, she slipped the cucumber slowly out of her hole and brought the glistening tip up

“Her hand closed around my rigid cock and she slid the foreskin back...”

to her mouth before licking and sucking her own juices from the shaft while looking me straight in the eye.

The other lads, especially Gary, the geezer getting hitched, seemed a bit miffed as I rose from my chair and staggered off with my horny new friend, but I wasn't complaining as we passed through a corridor and into a small room with a large padded leather chair in the centre. The girl probably didn't speak any English but as she pushed me down into the seat, having a chat was the last thing on my mind. Lifting her tiny skirt she straddled my thighs and plunged her soft warm tongue into my mouth, while expertly unzipping my trousers as she did so. I slid my hands behind her and stroked the smooth skin of her back, tracing my fingers down her spine until

I had one firm rounded buttock in each hand. Her hand closed around my rigid cock and she slid the foreskin back while rubbing the tip of my knob up and down the moist lips of her cunt. I dragged my lips from hers and took one of her fat boobs in my mouth, slurping on the teat as I sucked as hard as I could. She let out a moan of pleasure and pressed her knockers together so I could suck on both

nipples at the same time. This girl was good and wriggled her fanny rhythmically against my twitching dick as she ground her tits into my face. I was desperate to fuck her but she had other ideas and positioned herself between my legs, sliding my jeans to the ground at the same time. I closed my eyes as she tickled my dick with her tongue, rolling my knob around her lips as she manipulated

no return, she stood up, slipped a condom over my prick, turned her back to me and plunged my cock up her pussy. I watched her shapely arse rise and fall swiftly onto my tool, gripped her buttocks and fired my load deep inside her. I'd never cum so much and it seemed ages before my balls were emptied. Exhausted, I slumped back in the chair as my new lover, for a finale, removed the condom and tipped the contents all over her tits,

smearing my jizz into her cleavage until her magnificent breasts were glistening with my spunk.

She kissed me lightly on the lips, smiled and left the room while I caught my breath.

Returning to the lads after tidying myself up, I was a bit surprised at the frosty stares and obvious annoyance of all my mates as I took a big swig of beer.

Were they jealous? Had I missed my round? No. Turned out the mate back in England who knew the owner and performers of this club had, as a favour, arranged a special wedding present for Gary to say goodbye to his bachelor days – but there had been a slight case of mistaken identity!

Boy, was Gary pissed off. But after I told him how crap the sex had been, and that I'd saved him from cheating on his wonderful future missus with some bored, unexciting and useless bird, he slowly came around. I've always been a damned good liar!

Andy, South Shields.

my balls. I gasped when she finally eased her mouth downwards, taking more and more of my shaft inside until I could feel it touching the back of her throat. She then began to suck me like I'd never been sucked before, sliding her lips up and down while

massaging every millimetre of my dick with her amazingly agile tongue. I pulled her tits either side of my cock and fondled them as the pressure of spunk in my balls became unbearable. Just as I reached the point of

That's a rather provocative little tattoo you have on your bum cheek, Carmel.

"Just think of it as an invitation."

And what might you be inviting?

"That depends on the person and what they might like or dislike."

I have to say, I rather like where this is going, and we all begin to think about how daring, or cheeky, depending on how you look at it, we could possibly be with our questions. When out of the blue, like Carmel had read our minds, she exclaimed, "Don't even think out trying it on now I've said that."

And that, as they say, was that.

TOTAL RECALL

Dear Total Recall,
There's nothing I like more
than plonking myself
down on a sun-drenched
beach and watching sexy young
women strut on by in skimpy
bikini's, and being an older woman
now I appreciate their firmness
and liveliness. So quite a number
of years ago when I was browsing
the top shelf of a newsagents I
happened to pick up a copy of Club
International (to the amusement of
some men nearby), and on the page
I happened to open the magazine
on, there was a stunning girl with
dark tousled hair called Avery,
stripping off by the poolside. I felt
myself moisten and a heat creep up
my inner thigh. Of course, I brought
a copy, and actually still have it, but
it would be wonderful if you could
share Avery with Club readers
again, and as a little reminder of
my youth.

Holly, Kent.

TOTAL RECALL

I don't know about Desperate Housewives, but Tori Black looks more refreshing than an ice cold beer, playing hostess in her pink lingerie. Now that I think about it, this could really be the meaning of fine dining as

I watch Tori place her knee on the dining room table to expose her beautifully rounded rump; and what a banquet the ripe Miss Black would be. Now there's an image to occupy our thoughts at length.

Here's a rocking rose whose see-through lingerie doesn't leave much to the imagination.

"What you see is what you get with me, and a quick look at the goods always improves matters."

It certainly does from where we're sitting, not that matters needed improving, just having Charlie Rose in the studio is always a delight in itself, though the enjoyment really does take off when Charlie's clothes hit the floor.

Although we can all dream of owning our own Aston Martin DB5, most of us don't have pockets deep enough. Until, in steps LEGO with the James Bond 007 DB5 from the Creator Expert series for 16+, which is an excellent mental age for us. The

whole experience has the James Bond air down to a T, from the packaging to the instruction manual, which is disguised as a classified manila folder. They haven't forgotten the hidden features either with bullet proof back screen, hidden machine guns and the famous passenger ejector seat. It takes patience, but you'll have serious fun.

TomTom's

www.tomtom.com

With Google Maps and smartphones the main focus, having a standalone sat nav, feels a bit like old news, but like all new tech, it doesn't just get you from A to B anymore and avoiding traffic jams. This latest TomTom family member has IFTTT

support, which means when you've slept through your alarm clock, put your pants on back to front, and are legging it for the car, all the things you were meant to do that morning before you left for work can still be done. It functions as part of your smart house, so lights off, heating off, security on, it's all possible. You can also activate Siri on your Bluetooth and set destinations using voice control.

Samsung Galaxy Buds

www.samsung.com

Let the Bluetooth bud wars commence with Samsung's new rival to AirPods, the updated Galaxy Buds are 30% smaller than the Samsung Gear IconX earbuds. Now, these can either be snapped up for free when ordering a member of Galaxy S10 range or, are a reasonable £139 if you're still snappy with the handset you have. Available in three different colours, neon yellow, white and black, they are a comfortable and snug fit that doesn't feel like they're going to fall out of your ears and roll down a drain grate. The big draw in, is a new feature called Ambient Sound mode, which amplifies your surroundings, so you'll hear that oncoming bus, but it can't help you with the electric taxis, you'll have to use your eyes for that at least. Well, technology can't do everything for you yet, but give it a few years and I'm sure it will be able to wipe our burns for us.

Kenna & Mia
PHOTOS: TWISTYS

Not one, but two, honey beauties are gracing the pages of Club this month, not that they seem to be paying too much attention to the camera, far too wrapped up in each

other by the look of things. Not that we in any way mind as Mia Malkova begins to run her tongue over Kenna James' nipples. There's not much need for me to keep gabbling on really, so enjoy...

SCRUFF JUSTICE!

Please be upstanding!

Jessica Drake is Wicked

Wicked

Starring: Jessica Drake, Ryan Driller, Brandy Aniston, Vicki Chase, Anikka Albrite, Abella Danger, Angela White, Dirk Huge, Rob Piper, Isiah Maxwell, Ricky Johnson, Sarah

Jessie, Lily Lane, Small Hands, Anna Bell Peaks, Aubrey Kate, Venus Lux, and Domino Presley.

Synopsis: Wicked Pictures Exclusive Contract Superstar Jessica Drake and award-winning director Brad Armstrong bring you the most epic Star Showcase Movie in adult entertainment. Watch Jessica explore her sexuality as you've never seen before. From a passionate encounter in the Garden of Eden to a 6 Girl Anal Circus Orgy with today's biggest name starlets. From a jaw-dropping Interracial Blowjob to a

School Girl Orgy full of Anal and DPs, and then the grand finale, an absolutely stunning encounter with three of the industry's most beautiful Trans Women. Jessica adds: "I've waited my entire career for this movie. Each scene reflects not only who I am as a performer, but who I am as a person. I couldn't be prouder of this project, and I want to thank every person listed in the credits for bringing my fantasies to life." Courtesy of Wicked

Verdict: Any Jessica Drake fans out there? I'm sure there's a few hundred thousand at least, which comes as no surprise given the way this woman can work a camera and Wicked studios have recognised this,

giving the hottie her own compilation, complete with a bonus disc featuring her boxer swelling scene with Asa Akira in DNA. There are some of the best scenes of Jessica's career so far here, scene five might not be everyone's cup of tea as Miss Drake is joined by three trans stars, but even if that's not your bag, there is something for everyone on this DVD.

TV Reporter Private Gold

Starring: Sienna Day, Loren Minardi, Blue Angel, Carmel Andersson and Victoria Summers.

Synopsis: "In Private's TV Reporter Sienna Day is an up-

and-cumming political journalist who will do anything it takes to break the story... and we mean anything! Whether it takes hardcore anal or some girl on girl action, Sienna Day will be the one who reveals the scandal. But, she is not alone, this ambitious and cock driven beauty is joined by the experienced British babe Victoria Summers, Carmel Andersson and the debutantes Loren Minardi and Blue Angel. Corruption is just the start of these twisted scandals, perversion and deviance lie at the heart of

every story... Just make sure you tune in to watch them unfold!" Courtesy of Private Gold

Verdict: talking and walking through the corridors of power really can be a bit of a turn on I imagine and it looks like political reporter Sienna Day is starting to feel the heat when a scandal comes her way. But to begin with this anal loving presenter has one man on her mind and her boss is about to get the delights of Miss Day who's tight pussy he can't resist.

But there are two debuts to Private in TV Reporter, as Blue Angel gets smashed by Kai Taylor, ending up with a sticky facial, and Loren Minardi jumps in the deep end with DP and an anal blasting threesome. Now that's what we call news!

Throwing a line out into the worldly pond seems to have come up trumps with a bountiful Kiwi catch, who's been working her magic touch on the British public for a few years now, and stands as firm favourite among Club Readers (Ed says: Seriously guys we have to pass on so much fan mail, poor Beth's swapped!) But, she clearly enjoys hearing from you lot.

"It's amazing the response I get and some of it is so genuinely sweet, that it makes me 'Awww' out loud."

Well chaps, you seem to have nailed a way into Beth Bennett's heart, so keep up the excellent work!

Grand by name and by physical nature, in which I am sure you will agree, though Karina is entirely down to earth and ready for a giggle, wasting no time cracking

jokes on arrival, she would make even the most awkward person feel comfortable, with her large welcoming smile. "I find it hard to do a sultry, sexy face for the camera, as all

I want to do is laugh most of the time."

Sounds like Karina all over, though she's doing a pretty good job from where we're sitting.

POOLSIDE PUSSY PLAY

I'm enjoying my last few days off in Singapore after competing in an annual sports event out here. As a semi-professional swimmer I spend most of my spare time travelling the world to compete in various tournaments. But

this time it could be said

that not only did I beat some of the competition, I managed to fuck it too! I first spoke to Tina at the closing party on Saturday afternoon. I'd seen her around during the competition, but as we were in rival teams we'd never really made the effort to speak to each other. She was a bit pissed and began chit

chatting to me. I was quite surprised

we had so much in common. We really got on well and after I made some throwaway comment about how impressed I was with the hotel, she told me her suite up on the 60th floor was even more glamorous and luxurious. I was curious to see for myself, so I innocently followed her to her suite, which was amazing! We talked about all sorts of girly stuff, comparing notes on how we keep fit. Tina even moaned about how she gets fed up with always having to have perfectly shaved legs and for some reason I ended up telling her that even my pussy's always completely hair free. She didn't believe me, so I whipped up my skirt, pulled down my knickers and flashed my flesh.

"I can't begin to imagine what that feels like," she said. "Well just touch it and see for yourself," I replied. I'd never been with a girl, so showing her my pussy seemed more playful and innocent than sexual... until she touched it! Her fingers brushed the clean-shaven treasure between my thighs and my pulse instantly raced. I experienced a world of new sensations from this one girl's simple touch. She inspected my moistening pussy and I realised I'd never been sexually aroused by a woman before

Throughout the competition I'd seen Tina wearing skin-tight swimsuits, so I knew that underneath her clothes she was wonderfully firm and toned. Taking the initiative, I carefully undressed her. It felt raunchy and so right, so natural. Before my hands touched her smooth skin I wanted my lips to kiss her first. I worked my way around her body, concentrating my mouth on areas that got the loudest vocal response from her. Pushed up against the thick glass window, with the incredible view of the city surrounding us, I sucked on her tan areolas and erect nipples, imagining the pure buzz she was getting, almost frightened when she looked at how high she was, but not prepared to move away from my mouth for anything.

We touched and teased through various states of undress until we were both naked on her bed. I caught a glimpse of our reflections in the wall of mirrored wardrobes running along the side of the room. She looked gorgeous, and with my toned body next to hers we made the perfect match! I've never spent so much time just sensually touching someone. Hour after hour we licked and stroked, never even penetrating each

other's pussies. Tina kept talking dirty to me. She had the most vivid erotic imagination; tales of foul filth spilt from our lips as our cunts creamed and churned out juices. She tightly fingered my arsehole using my own wetness as nature's best lubricant. Her fingers found my ears and my mouth too, but never once entered my forbidden lovehole. Sensing my pressing need for something big, rhythmic and thumping filling my pussy, she leapt from the bed

"Between you and I, I always carry a cock around with me, but it's something much more versatile and reliable than any boyfriend," Tina announced. She produced a pink, rubbery dildo, which had a suction pad at the end of the balls. She licked the pad, stuck it onto the mirrored wardrobe door at hip height and started giving the thing head (I can guarantee you, any guy would have been envious of that thing). She guided the rigid cock into her mouth, carefully taking it all down. Her cheeks drew in as she sucked and feasted on the thing. She treated it like it was the most precious item she'd ever touched. I could see the action from every angle, whether real or reflection. Her rounded butt ground to an invisible rhythm as she filled her rosy cheeks with the rubber delight. My knickers are wet even now as I picture her beautiful face wrapped around that cock. Tina backed off and quickly indicated to me that it was my turn.

"But don't suck, please fuck," she said. Initially it felt quite odd, seeing myself up against the mirror rubbing the cock around my clit and lips. Getting the confidence to mount it, I grabbed onto the edges of the mirrored door to steady myself and eased

“He dived between my thighs and began to suck my cunt like a starving dog.”

would do to us if they caught us. For ease of view we moved onto the poolside lounge, Tina and I now firmly entwined in an orgasm-inducing sixty nine. We hugged each other's bodies, heads in between legs and tongues inside pussies. We came together, but my shaved cunt carried on climaxing as she lapped up each spasm like it was the first. When we were through and we finally strolled past the security guards they gave us the biggest knowing smiles ever! We just giggled...

Looking back I realise I was very naïve right from the start. Tina had been subtly seducing me and engineering everything to get me into her bed. And I just hope I never have to compete against her in the future, because I certainly wouldn't be concentrating on the race!

I'm 22 and my boyfriend John, like many

myself back and forth. It felt smooth and wet and amazing. It almost looked like I was fucking myself with a big strap-on.

Parting my butt cheeks, Tina was behind me licking away at my arsehole. As I fucked myself the lips of my clean shaven cunt came into contact with the mirror – the cold so different to Tina's warm tongue. She soon moved upwards, fondling my tits and rubbing her hair-covered clit against my arse cheeks. Before I could let rip and come, she pulled me off, telling me it was time for a change. She put on a high-cut yellow bikini, lent me a skimpy pink swimsuit and told me her plan:

“I've always wanted to use a swimming pool for something much more fun than training or competing,” she explained. “So you and I are going down to the hotel pool.” With the dildo safely wrapped up in her towel we headed off.

As we were the only people there we messed around in the sauna and Jacuzzi for a bit before diving into the pool. I noticed Tina's nipples stand to attention once we were in the cooler temperature of the pool. My pussy seemed to stir in response, so the dildo was promptly unravelled from the towel. I sat on the side of the pool, my feet dangling

as Tina worked the dildo into my cunt. We noticed the CCTV cameras, but decided that so long as no other team members caught us, we couldn't care less if the hotel security staff got off on watching us getting pleased.

Tina played up to the cameras, cooking up rude stories about what the security guards

other men, has always secretly fantasised about me fucking other guys. Recently he plucked up the courage to share these fantasies with me, admitting just how often he had imagined me getting laid by someone else — and I have to say I took to his new suggestion instantly! I immediately put myself in singles bars to prey on hot cock and now

“My sloppy seconds slut-hole milked him dry...”

my boyfriend gets really excited listening to me describe my affairs with other men! Johnny was one guy in particular who took a starring role. The three of us had just recently met through mutual friends and I had to admit he was pretty buff. Tall, well dressed, blond and brown-eyed, I knew he'd be a worthwhile pleasure pursuit. Anyway, my boyfriend had a business trip and left me home alone for several days. Before he went he stuck a note into an issue of *Club*, highlighting a letter about a woman who fucked around when her husband was away. The thing was, in absolutely every instance she would tell her husband about her flings in great detail on his return. Clearly my pervy boyfriend wanted me to do the same. So now I had a license to go out and get guilt free, no hassle, no holds barred fucks! No shame, as long as I told my boyfriend everything. Whilst he was away I more than toyed with the idea, and though we talked on the phone every night I never mentioned the note. I knew this would drive

him crazy and tease his perverted little mind! Even when he came home I kept quiet.

As we got ready for bed that night he was understandably hot as we hadn't made love all week. I knew the score, so I came to bed in a sexy nightie and black, slingback shoes, loud, bright make-up designed to make me look like a cheap tart, red lipstick and thick, dark eyelashes. I began my slow seduction by tying his hands and feet to the bedposts. When he was finally restrained I was ready to tell.

"That note you left really inspired me, because I had Johnny over and fucked his cute little arse off," I exclaimed. I tormented John with the whole story, from beginning to end. I told him how our sweet, quiet new friend was a more than willing partner. He had fucked me twice before carrying me upstairs for a night-long session of adulterous debauchery – in our very own bed! John got so excited as I told him all about it that he came all over himself without even being touched!

Having shared all the intimate

Johnny moments, I untied John and challenged him to screw me even better than Johnny had. Well, he dived between my thighs and began to suck my cunt like a starving dog. I came over and over again and soon I was on my back with a cock pumping my well-used cunt. My sloppy seconds slut-hole milked him dry. When we finished taking advantage of each other, I told him I couldn't wait to try other men as well. I had really enjoyed being stretched by Johnny's bigger dick. I still can't quite grasp the fact that it's alright for me to 'cheat'... but we've now opened this sexy new side of our relationship and I love it! I want to try longer cocks, thicker cocks... every type of cock. And after every encounter I adore teasing John with stories of my conquests. It inevitably ends up in him fucking me long and hard. One new trick I now have up my sleeve is the idea to handcuff and gag him and leave him sitting in our walk-in closet. He can then watch me dress up

to go out, before coming home with some gorgeous young stud. John will then be forced to witness everything, but won't be able to do anything about it, let alone relieve himself of his sackloads of hot spunk. That promises to be an even greater treat than hearing about my adventures after the fact. In fact, I think I'll arrange something raunchy for tomorrow night.

Perhaps I could pick up a horny couple and bring them both back for threesome sex. I'd love to lift up another girl's dress and slowly peel down her little white panties in front of her wanking husband. She would wet my face as I bury my tongue into her hairy snatch, all the while knowing my poor boyfriend would be rock hard and hidden in the closet. I would move over to her husband and plant my slutty mouth over his huge cock. I would tell him not to come in my mouth as it has always been a huge fantasy of mine to suck another man's spunk out of a girl's pussy. Right on cue I'd pull his wife's cunt down onto his loaded penis. As she whimpered and bounced on his lap, I'd snog the hell out of her pretty face. When her hubby started firing his boiling sperm I'd wait until both their orgasms subsided, she'd dismount and that's when this cat would get her cream!

I'd then ask her husband to go downstairs and find a straw so I could slurp every drop of his come from his freshly fucked whore of a

wife! While I'd insert the straw into her spread-eagled crotch, she would beg her partner to fuck my cute little ass off! He'd shag me for forty five minutes while I'd finish off cleaning her honeybox, until finally he would empty another gift of spunk.

We'd then get dressed and I'd see them out. I'd then go back upstairs, let my poor, frustrated boyfriend out of the closet and swallow his pent-up sperm like the slut I am. I'd have the biggest orgasm of all time, knowing I could do such dirty and disgusting things. If any of our friends or family knew exactly what we were up to they would definitely disown us! So look out guys and girls... kinky couple alert!

Peaches

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

FANTASY FUCKFEST

Last weekend I had the most amazing night of my life and it was all thanks to you lot at Club. A year ago a friend of mine introduced me to porn magazines and yours was by far the best. The girls are all so good looking and I really got off on the stories, especially those from 'Peaches'. They started to get me thinking about my own sexual fantasies and it didn't take long before I realised I was getting more and more turned on by the thought of anal sex. Not only that, but I reached the conclusion that I really wanted to try it. In fact, my ultimate fantasy was to have three or four men at once and to be videoed, having them take turns directing me, telling me how great I look and how hot I am.

About a week ago I made the fantastic mistake of getting very drunk in the pub after work and confiding my outrageous fantasy to a load of work mates in a game of 'Truth Or Dare'. The next day, when I realised exactly what I'd confessed, I was really embarrassed by what I'd said. I was also very hung over, so I decided to take the day off. It was Friday anyway, so I wouldn't miss much. But that night I received a really strange phone call from a man I work with called Alan. I've known him

for about six months and have always had a thing for him, but then so does everyone. He asked me why I hadn't been in work and said that he needed to see me urgently. I thought it was a little strange, but agreed to meet up with him all the same at a bar in town the

“He freed my breasts from my bra and eased his cock into my mouth.”

next day. I made sure that I looked perfect for our meeting; not too casual, not too smart. I put on my sexiest underwear, a red lace bra and matching g-string, a pair of tight jeans and a snug little black top that clung to my ample chest. I was excited and nervous at the same time, so I had a couple of vodkas before I left home to calm my nerves.

By the time I got to the bar Alan was already there and he looked great! After another couple of drinks and some random pleasantries I politely enquired as to why I had been summoned. He took my hand firmly in his and told me that he'd heard about my naughty little fantasy and had decided to take it upon himself to make it a reality. He said that he'd found the ideal location and that a few of his mates were also willing to help out. "How kind!" I said jokingly. Alan just laughed and ordered some more drinks. At first I didn't take the idea seriously, but as the night went on the thought of Alan and his sexy friends seemed more and more appealing.

By six we were both pretty tipsy. Alan ordered a taxi and we headed straight to his mate Jake's house, where the 'party' was being held. As I walked in I saw three gorgeous men sitting on a sofa swigging

from cans of beer and passing round a joint. In the middle of the room there was a futon covered in black and white pillows, surrounded by some huge lights which were incredibly bright. At the end of this makeshift 'set' stood a camera on a tripod. The men jumped up immediately and offered me a smoke, introducing themselves as Jake, Tom and Carl. After a couple of drags and some awkward conversation a wave of confidence hit me. "Come on then," I said. "Which one of you strong men wants to take me on first?" Alan came up behind me and began kissing my neck, while Jake went over to the camera. As Tom began arranging the lighting, Carl looked me straight in the eyes and said "I'll direct. Now strip down to your underwear." At first I was shocked, but did as I was told. Alan gently took my hand and led me over to the futon.

"I want you to kneel down and Alan to kneel behind you." We both did as we were instructed. Alan slipped my bra straps down and began pinching my nipples through the

trousers I knew I wasn't the only one. Then Carl undid his pants and began to stroke his big cock. Each man then followed his lead and they all began to slowly wank in unison. Carl continued his commands. "Now, as he takes your knickers off look straight into the camera." I couldn't believe how wet I was getting simply by being ordered about and obeying these requests. I lay back and opened my legs as wide as I could so that I was lying there totally exposed.

As I put my head back I could see that Alan was completely naked. His cock was magnificent, so thick and hard. He freed my breasts from my bra and eased his cock into my mouth, pinching and licking my hard nipples. I began to push my fingers in and out of my wet cunt while continuing to look straight at the camera.

"Tom. Go down on her," Carl barked. Tom positioned the lights so they honed in on my cunt. I could feel their warmth. Then he knelt down in-between my legs

and began licking and biting. The thought of being watched was too much and I soon came over Tom's face. But now I wanted much more than just foreplay, so I looked at Carl and screamed "Tell them to give me cock." Alan and Tom swapped places and I watched as Alan slid his thick cock into my hot hole. Then I took Tom's cock and began to suck it. I could see Carl wanking harder and harder as Alan pounded my pussy. Jake took the camera off the tripod and got down on his knees so he could get a better angle of my hole being skewered. Carl continued with his directions. "That's it baby. Look at the camera. See how hot these guys are for you. You're so sexy. That's it, baby. Let the world see how much you love cock."

Jake held the camera in one hand and his dick in the other, frantically jerking off. I released Tom from my mouth and changed position so that now I was squatting over Alan's cock. Tom took the hint and began to lubricate my darker hole with the juices that were running down my legs. He spread my cheeks wide open and began tonguing my tight little arse. It was like nothing else I had ever felt. I nearly exploded, but I managed to hold my position steady as I felt him nudge his ample cock against my sphincter and then, with a deep breath, ease it in. The three of us remained frozen, trying not to lose balance. Then Alan and Tom began pumping in perfect unison. I was totally stuffed, fuller than I'd ever been, and Jake didn't know where to aim the camera first. He slid down on the floor and aimed upwards so that he could see both my holes being fucked at once, then he got back up to get some shots of my face. Alan began biting my nipples, tweaking them harder and harder as both cocks pounded in and out. I turned my head to the side where

Jake and his camera were now positioned. I reached up and took his cock in my hand, feeding it slowly into my mouth, then started sucking for all my life was worth.

I could still hear Carl shouting "That's it baby. Harder. Faster. Suck it hard. Fuck those cocks, you dirty little cow. You were made to take cock." The noises that were coming from my mouth as I greedily gobbled Jake's hard dick and the tightness of my hole proved to be too much for Tom and he suddenly exploded inside me, squirting his hot and heavy load of love juice into my arse. Carl saw this as an opportunity

"I felt him nudge his ample cock against my sphincter..."

to get some action for himself and quickly replaced his mate. His cock was slightly thicker than Tom's and I could feel my anus stretch as he rammed it up me. It was amazing. I couldn't believe that I had Alan's thick rod up my cunt, Carl up my arse and Jake's cock in my mouth. And the harder they fucked me, the harder I sucked. Finally I felt Jake's balls tighten and he spat his lovely wad all over my face. It tasted fantastic and I kept licking his cock so as not to waste a single drop. The two remaining guys started to get a bit rougher with me and I could soon feel another orgasm building. I bucked frantically, making sure that both their pricks were as far inside me as they could get and within minutes I had come all over them. Carl and Alan quickly followed by depositing yet more gorgeous spunk inside me and I squelched with satisfaction as they finally withdrew their sopping pricks from my arse and cunt. We all lay there for a while, too exhausted to be embarrassed by our wild sex orgy. Then Carl lit up a cigarette, and, casual as you like, said "Who's for some pizza, then?" Cocky grt!

I still can't believe my dirtiest fuck fantasy has come true. Or that

the reality turned out to be even more filthy and fantastic than I'd imagined.

Blanka
PHOTOS: DAZGLAM

Blanka must be one of the most popular girls in Europe wearing a bikini like that.

"It gets a lot of attention, everybody notices a blonde girl in a silver bikini and hot pants!"

I suppose it's not the same kind of attention if I was to pop on a silver outfit and waddle around.

"I think the beard and general hairiness might be a game changer, though I'm sure there is someone out there who'd get off on see you strut around in my outfit."

I'm not convinced with my beer-addled belly, but that's one thing you can say about Blanka, she's a kind and generous soul.

What our well-placed moles are telling us this month...

DOWN THE WIRE

PRIVY PINCHERS!

In a thieves general idea of a good haul you might expect to find the obvious, laptops, iPhone 5 and perhaps the odd kitchen appliance. However, we doubt an outhouse would be top of the pinching list, especially an 8ft tall, ply-boarded version complete with 80's toilet seat cover. Definitely a two-man job! Unfortunately and much to his surprise Randy Nemirsky's privy vanished from his farm near Edmonton, Alberta, after thieves struck in the night. As you can imagine he wants the outhouse returned for personal reasons and is offering a \$507 reward. We think you'll be digging holes for a while yet, Randy!

TOILET SEAT STOLEN
AND THE POLICE
HAVE NOTHING
TO GO ON

Better use

STEALING SALVADOR!

Phivos Istavrioglou wondered into the Upper East Side Gallery, New York and promptly trotted out again clutching a watercolour by the Surrealist painter Salvador Dali. After realising the enormity of what he had just done, the old cold feet set in and Istavrioglou then attempted to post the painting back, where it was later found inside a cardboard shipping tube at Kennedy International Airport. Fortunately, this incompetent thief left a fine set of fingerprints that led to detectives tracking him down. He definitely should have stuck to potato printing.

This is my
sad face!

CUT AND RUN!

Some people will go to extreme lengths to get out of paying their bar tabs. One such person, Robert Engles, whose wallet we can only assume is playing host to a family of moths, attempted to leave Centro Latin Kitchen in Boulder, Colorado without paying his bill, but was restrained and held by restaurant staff until the police arrived. The events leading up to Engles detention echo scenes from The Shawshank Redemption, though Andy's great escape wasn't brought to a halt by a 4½ ft fence. After cutting a hole in a plastic patio wall, Engles attempted to escape but couldn't quite manage the fence, it seems. All this for a \$38 bar tab? This guy's no Houdini!

These walls
look thicker
than plastic!
